Enviroschool workshops scheduled for September

BATON ROUGE – Enviroschool workshops, presented by the Department of Environmental Quality, help the public better understand the agency and how it operates. In September, the workshop for Baton Rouge, Shreveport, Lake Charles and New Orleans will present information on the Business & Community Outreach Division. This session will give you an overview of outreach and assistance efforts provided through the Office of the Secretary including the Small Business/Small Community Assistance Program, the Environmental Leadership Program, Recycling, and Communications. Information will be provided on how the public can get free assistance and get involved in these and other outreach programs within the Agency. The sessions for Alexandria and Monroe will focus on Waste permits 101: Understanding the process. These sessions will give you a basic overview of the waste permits program including a discussion on solid waste, hazardous waste, universal waste, and recycling.
